Spanish for life in Ronda

LEARNING & LOCAL LIFE

Every group is different, and that's where we begin. We work with you to create a 360° experience of Spanish life around your students' interests: culture, music, history, food, nature, or un poco de todo.

Spanish becomes part of the day: at school, over a meal with their host family, meeting local students or exploring with friends. Familiar faces, new friendships and shared adventures give students plenty to talk about and the encouragement to join in.

Everyday Spanish

We want students to feel comfortable enough to have a go, make mistakes and try again. Our classes bring everyday Spanish into the room while developing speaking, listening, reading and writing. A level check before arrival helps us find the right starting point for each student.

A home in Ronda

Our host families are part of the Rondalingua family too. We personally visit every home, and many of our families have been with us for years. Around the table and through everyday family life, students share stories, practise Spanish and open themselves to the joy of life in Spain.

Ronda is just *the beginning.*

EXPLORE ANDALUCÍA

Ronda is an ideal base for exploring Andalucía's great cities. Discover the history and culture of Seville, Málaga, Córdoba or Granada, then return to a familiar welcome and the relaxed pace of life in Ronda.

LOCAL EXCURSIONS & ACTIVITIES

Out and about, *together.*

Our hilltop city is surrounded by spectacular mountain ranges and natural parks. Discover thousands of years of history, admire the architecture, immerse yourself in local life and lose yourself in the beauty of the countryside (not literally, of course!).

We're perfectly placed to explore everything you'd love to see, visit and experience in Andalucía, while enjoying the peace and quiet of a mountain town.

Ronda & the surrounding area

Every group has its own idea of a great stay. Whether yours loves history, food, sport or getting outdoors, we'll build a programme around them. Tell us what you'd like to do, and we'll help make it happen.

In Ronda

Guided walks, the Desfiladero del Tajo Gorge Walk, cooking, tapas, dance, language exchanges, football and basketball.

Nearby

Horse riding, Grazalema, Zahara de la Sierra and the Caminito del Rey.

Our Magical History Tour

A journey through 30,000 years of human history, from Cueva de la Pileta's prehistoric paintings to Roman Acinipo and the remarkable village of Setenil de las Bodegas.

A PERSONAL WELCOME

Your group is unique.
Your stay should be too.

You know your students. We know Ronda. Together, we'll shape a programme around their ages, Spanish levels and interests, with the right balance of classes, activities and family life for your group and budget.

Before you arrive, we agree the programme with your school, arrange student profiles and level checks, and share practical guidance so everyone feels prepared.

A welcome worth coming back for

"RondaLingua is a true gem for language learners around the globe. Not only are the lessons top-notch, but the owners go above and beyond to make the experience at their language institute unparalleled. Our students who participate in a summer immersion in Ronda and take classes at RondaLingua, have only the highest praise for the program. They are paired with wonderful host families, participate in many other activities arranged by the school such as cooking and dance classes, take part in language exchanges with local students, and even go on excursions to nearby Spanish cities.

This school does it all and we would recommend taking classes here. We plan to return each summer with our students from North Carolina, USA. If you are looking for the best of the best, look no further. RondaLingua has it all."
